

Premier Design Putting League

Monday evenings starting at 6:30 pm
January 9 thru March 6, 2017

East Coast Wings and Grill, Kingsport TN
2637 E Stone Dr, Kingsport, TN 37660

Entry fee - \$6 per player (\$5 to payout)

Divisions - Pro, Advanced, Intermediate, Ladies

Format

Round 1 you will get 10 birdie putts from 5 different positions, 2 putts per position

Round 2 will be identical to Round 1

You will get 1 stroke under par for each made putt.

Make 10 putts in Rd 1, you are -10!

After 2 rounds, a division champion will be crowned

All 4 division champions will meet in a semi final round

The 2 winners will face off to crown the weekly champion!!

Here's the catch...

As you now know, each player will get 10 total putts each round...

After your round you will go to a 2nd basket where you will putt a 20 ft par putt for each miss

These are par putts, miss them and you will lose a stroke for each miss.

Example - Zach makes 7 putts during Rd 1, he misses 3. He proceeds to the 2nd basket where he misses 1. So initially he was -7, but after missing a par putt, he finishes Rd 1 at -6.

The object of this format is to help improve your game day putting.

Misses have consequences, just like on the course.

Payout will be totally vouchered. If you cash, your amount will be vouchered until the league is over. This will allow for a nice payday in March! Pros will get cash, Ams will get merch. Payout will be 50% in all divisions. The more nights you attend, the higher your potential vouchers at seasons end.....and .65 cent wings aren't bad either!!
