

Suncrest Park Temporary Course

Front 9

Hole 1

300 ft Par 3

Hole 1 tees from an elevated parking area. The tree on the right ensures players will stay to the left when driving. Nothing but green grass between you and a birdie 2.

Road and beyond on right - OB

Hole 2

270 ft Par 3

Uphill left to right drive to a basket at the crest of the hill between large trees. Hyzers from both directions are there for the taking.

Hole 3

246 ft Par 3

Big downhill hyzer is the name of Hole 3. Make sure you clear the tree or putts will be tough.

Hole 4

225 ft Par 3

Low ceiling alley leads to the basket sitting beside a big tree.

Hole 5

171 ft Par 3

Short but tricky, Hole 5 will ask for a low speed left to right drive that won't find the rough on either side of the green.

**Playground on right is OB.

Hole 6

210 ft Par 3

Hit the gap on Hole 6 or par may be elusive. A clean right to left drive will get you a birdie putt!

Hole 7

210 ft Par 3

Another gapper! This one however, affords a great view of the entire hole. Keep it straight on Hole 7!

Hole 8

316 ft Par 3

Up until now, most holes have been fairly accommodating. Hole 8 has some teeth! Low ceiling, 300+ ft, and only one real way to get to the basket; down the fairway!

Road and beyond on left – OB
(Highly doubtful anyone will find OB)

Hole 9

183 ft Par 3

The picture doesn't translate the uphill factor of Hole 9. At 183 ft, it will play more like 230 ft. The rock outcropping before the basket could cause a rollaway.
