Graysburg Hills Golf Course

Chimney Top TPC

Ground Rules

- ⦿ All golf greens are OB for all divisions.
- ⦿ The primary cut (actual putting surface) is the OB line. The fringe is NOT OB. Do not throw from a green.
- ⦿ Bunkers are OB for Pro men.
- ⦿ Bunkers are NOT OB for all other divisions.
- ⦿ Keep carts away from greens and golf course tee boxes.

Hole One

406 ft Par 3

Long uphill drive to pin protected by 2 large bunkers.

Bunkers are OB for Pros.

Bunkers are NOT OB for all other divisions.

Hole Two

233 ft Par 3

Short , slightly uphill drive to pin protected by 2 bunkers. The green behind is OB.

This should be a fairly easy birdie opportunity, so don't let it get away!

Bunkers are OB for Pros, NOT OB for all other divisions.

Hole Three

499 ft Par 3

Fun, downhill drive to pin set inside a grove of trees.

Bomb this one and get a chance at a 2.

Cart path on right and beyond is OB for Pros only.

Hole Four

676 ft Par
4

Break out
the
backhand
roller for
this hole!
Super fun
bomb
downhill to
a pin
centered in
a small
grove.

Hole Five

301 ft Par 3

Break out the accurate uphill drive and get the deuce. The green on top of the hill is OB.

Hole Six

581 ft – Pro Tee
436 ft –
Am/Ladies
Par 4

Hole 6 ushers in the really beautiful stretch of holes. Another great downhill crank to a pin perched atop a mound on the left of the fairway.

Hole Seven

377 ft Par 3

Downhill drive to pin on another mound. The downhill makes the 377 ft play shorter than expected. Another great duce opportunity. Road on right and beyond is OB.

Hole Eight

718 ft – Pro Tee
218 ft – Am/Ladies

Don't let the water get you! Bunkers are OB for Pros only.

Pros will need to control their distance off the tee to avoid the water. Ams can feel relatively at ease with plenty of room on the right to play safe.

Property line on right and beyond is OB.

Hole 8
718 ft - Pro Tee
218 ft - Am/Ladies Tee
Pro Par 4
Am Par 3

Hole Nine

176 ft Par 3

This is the obligatory wooded hole! Not very tight, but there is an OB fence on the left and OB property line stakes behind.

3967

Hole Ten

616 ft Par 4

The drive needs to be controlled here or players will end up falling off left and greatly increasing the distance of the second shot. Good drives will hold the turn and make the shelf where the fairway begins. OB fence on far left.

Hole Eleven

559 ft Par 4

Blind drive through the gap to a pin perched atop a mound on the right of the OB green. Make sure you clear the hill or a birdie three will be very tough.

Hole Twelve

503 ft – Pro Tee
392 ft – Am/Ladies

This hole will score like a par 4 based on the uphill factor. Big arms may be able to reach the green in one shot. Is your arm big enough?

Hole Thirteen

550 ft Par 4

Another great opportunity for the backhand roller! Whichever type of throw you choose, the second shot will be the critical one. The basket sits below the OB green and is blind for much of the hole. Bunkers are OB for Pros only.

Hole Fourteen

349 ft Par 3

The bunkers are the centerpiece of this uphill hole. Lots of shot will land on the beach. Be careful with your approach as the hill falls off in all directions. Bunkers are OB for Pros only.

Hole Fifteen

500 ft – Pro Tee
288 ft – Am/Ladies Tee
Par 3
Once again, the water takes center stage. Pros will have more to deal with. Ams can be slightly more aggressive. Play smart and keep your favorite driver!
Bunker is OB for Pros only.

Hole Sixteen

300 ft Par 3

Nice and easy Par 3 with a postage stamp green. If you stay on the green, give yourself a pat on the back. If you get the deuce, have another pat!

Hole Seventeen

379 ft Par 3

Blind, over the hill shot to another mounded green. Be sure to control your turn or pay the consequences. This hole is reachable so send a spotter to view the drives. There is an OB wooden fence/property line that runs the length of the hole on the right.

Hole Eighteen

500 ft – Pro Tee
288 ft –
Am/Ladies Tee
Par 3
Two completely different holes.
Ams play lower tee to right side pin.
Pros play upper tee to longer left side pin. The green is OB as well as the road on left. Ams please be very careful and avoid tombstoning a disc on the OB green. Bunkers are OB for Pros only.
