

Riddle # 4

Three down,
And three to go.
Just like Bugs Bunny,
On with the show!

The ladies they loved me,
In 2017.
On Friday delayed,
Because of a tree.

A tunnel is there,
Although not in play.
Bovines traversed it,
Back in the day.

Now you should know,
Of which course to go.
More clues are forthcoming,
This game I am loving!

Finding this course,
Might be easy, you say.
But now things get tougher,
The rest of the way.

Ask for forgiveness,
Instead of permission.
Made a big mess,
Despite our prohibition.

Permission granted,
But to make amends,
We will help out a little,
With three new friends.

“Which one?”, you may ask.

A clue I will give you.

Zach says no,

And Chris says no.

Ray’s gal Debra,

Daughter Sue, in tow.
