<hr/>		
<p>How it works - On Saturday morning, all teams should be present no later than 8 am. Team captains should check-in with Tim when the team is on-site and pay entry. Match 1 will tee off at 8:30 am. Each player is expected to know what hole to begin Match 1 on. Hard copies of the Match sheets will be given to each captain. Match 2 will commence immediately after Match 1 concludes. Players should refer to their Match sheet and re-group. After Match 2 is complete, all players should report back to the Pavilion at Hole 7 to report Match 1 and 2 results. When all results are in, lunch will be 1 hr from that point. Match 3 start time will be posted at the Pavilion. After Match 3 is complete, players should report scores to Pavilion. Matches 4 and 5 will take place on Sunday morning.</p>

<p>How to win - Two 6-team divisions have been selected. The top 2 teams in each division will advance to the semi-finals. All 4 of those teams will cash (see payout above).</p>		
<hr/>		
<p>Scoring - Scoring has 2 different levels - Individual Match scoring and Overall Team scoring. Individual Match Scoring - 5 Individual matches will be played by each player. The object is to win the match and score 1 point for your team. Ties get 1/2 point each. The team that scores the most points in each individual match wins the match. Overall Team scoring - Each Team will play 5 matches. Wins will go in the Win column, Losses in the Loss column, Ties in the Tie column (just like the NFL). The Top 2 Teams in each division (best win-loss-tie record), will advance. Ties will be broken by overall points scored by all members of each tied team. If still tied, a quick one-hole playoff involving all team members will take place on Hole 1. The team that scores the most points will win.</p>		
<hr/>		
<p>Semi-finals - Once the Top 2 teams in each division have been selected, the top team in the Blue division will play the 2nd place team in the Chihiro Division. The top team in Chihiro will play the 2nd place team in Blue. Semis and Finals are 9-hole matches. There can be no ties in the semis and finals. Each individual match must have a win. The winners will advance to the Finals. The losing teams will split 3rd place cash.</p>		
<hr/>		
<p>Finals - The 2 winning semifinal teams will play a 9-hole Finals Match. The winning team will get \$200 per player and hold the iconic Vol Cup trophy until next year!!</p>
