

Parking:

3169 Bobcat Ln. Blacksburg, VA 24060

This address is not where the disc golf course is, just the road that it is on.

Parking is in a different area from last year!

! Follow the signs !

When you get to the top of Bobcat Lane turn to the left at the 'End Of State Maintenance Sign'.

After you turn left, you will see another sign pointing to the left that takes you down the flat gravel road.

Continue straight until you take a hard right turn.

Follow the road until the opening with the large mulch pile.

Park anywhere in this area that makes sense.

Everyone will be starting their round on hole #1
