Bad weather – The threat of thunderstorms is still a possibility. If I or Chuck see a lightning flash, all play will be halted. 3 long blasts on the air horn will signify stoppage of play. Seek shelter immediately!! We will resume 30 mins after the last strike. Please check in with the Pool TD (me or Chuck) for correct re-start time. DO NOT RELY ON HERESAY, be sure to check for yourself!! When play resumes, players will be given time to warm up before the 2-minute warning.
