Jacob	Cutshall	MPO	\$ 3.00
Josh	Delp	MPO	\$ 3.00

If you are on this list, please send me your Paypal info or make other arrangements to get yo moolah!!

Payout is based on each individual week. Payout amounts may not line up with overall league standings.

I did not feel like it was fair to use overall standings as basis for payout.

Example - Player A plays week 2 and wins his division, then cannot play any other weeks. His overall standing would be at the bottom and he would get nothing, even though he won week 2.

Frankly, I have no idea how PDGA calculates final league standings.
