College Disc Golf has not released the 2023-2024 Schedule yet.

Our plan is to attend a Fall Qualifier and Spring Qualifier as well as any Conference Events.

These potential dates will supercede any conflicting practices or local events listed above.

The disc golf program will pay all entry fees for any College Disc Golf event we attend.

The disc golf program will pay entry fees to Flight 7 and Flight 8 for any team members who attend.

The disc golf program cannot pay entry fees for any other local PDGA, doubles, or team events.

The disc golf program can pay entry fees to PDGA leagues on Mondays at Borden Park or Fridays at Winged Deer.

The leagues are rated rounds. All players are encouraged to attend them if possible.

Coach will be out of town on business - Sept 11-15 and Sept 19-22.

This schedule is subject to change. I will relay any changes to all players via email and text.
